The rows 1 to 6 are used to place all the markers. After those rows there is always the same number of markers on each row and by consequence always the same increases number.

On each row of the right side there are 8 increases:

- ★ 1 after the 1<sup>st</sup> marker
- ★ 1 before le 2<sup>nd</sup> marker
- ★ 1 after le 3<sup>rd</sup> marker
- ★ 1 before le 4<sup>th</sup> marker
- ★ 1 after le 5<sup>th</sup> marker
- ★ 1 before le 6<sup>th</sup> marker
- ★ 1 after le 7<sup>th</sup> marker
- ★ 1 before le 8<sup>th</sup> marker

The increases are only yarn over.
